To Whom it May Concern

I had the pleasure of working closely with Thomas Schlaerth when he interned at my company in summer of last year. Thomas was an exceptional intern. He was always punctual, always in good humour and always helpful to others in the office. His attention to detail was extraordinary (he has a great eye for detail) and his written and oral communication was excellent. He accepted the responsibility thrust upon him and always delivered on time. He is persistent, honest, a willing co-worker, a good solo performer, an easy mixer with superiors and colleagues. He engaged fully with his tasks offering insights and suggestions which were always helpful. I would have no hesitation in recommending him for any further study he wishes to undertake.

Please feel free to contact me on my personal mobile (353-86-8262151) if I can be of any further assistance.

Yours faithfully,

Ellen Gunning, MIAPR, MPRII, NUJ

Chief Executive Officer.
